Grievance Chair 7-12: Jeff Stanek

Bargaining Chair: Reed Scott-Schwalbach

Good News from the Buildings!

Centennial Middle School held its first ever Science Night and it was a fantastic success. Approximately 150 people attended—including students, parents, and future students. There was plenty for everyone to do and see—check out the photos.

Elizabeth Rouffy (CMS)

Letter from your President:

Happy spring! I cannot believe how close we are to spring break. With the chaotic winter it feels like it got here sooner this year. This year I had the privilege to attend the NEA Leadership Conference. I was blessed with sunny 80 degree weather in Orlando for the weekend. This is a great conference and I would encourage you to consider attending it next year.

Sometimes I get so involved in local issues that I forget about the larger state and national issues that we are united in solving together. You may not be aware of them yourself. At NEA the three priorities for guaranteeing a high quality education for every student are:

Racial Justice- Ensuring the systematic fair treatment of students of all races, with equitable opportunities and outcomes for everyone.

ESSA- Ensuring that public education is student-centered and educator-led.

Early Career Educators- Ensuring that all students have access to highly qualified and empowered educators.

At OEA they are additionally focused on ensuring adequate funding for Oregon schools .

There are many opportunities to get involved with this work. If one of these priorities really resonates with you please contact me and I will share with you what you can do and often what training is available at no cost to you. I hope all of you have a safe and relaxing spring break- full of sunshine! Here's to you educators. *Tony Whipps, President*

Lobby Day in Salem!

Come join other East County Educators as we lobby Salem to preserve Education Funding. There is a bus that will take you there and back on Monday, March 27, 2017, 9 am– 4 pm. See details [on our website](#).
